

Fiche technique "GREEN" : composition **GIANT**

Design: Jonathan Description

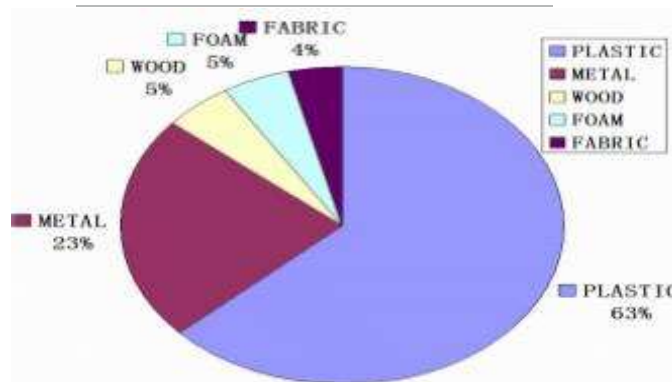

High-elastic MD series nylon mesh
FC series fabric,Air structure seat
Moulded foam
A15 3D adjustable arm with TPR durable arm pads
Syncro tilt with 4 locks position
Height Adj.Uph.PU lumbar support
350 nylon base
Korean Samhongsu 100/70 gas lift
60mm PU caster

Rapidly Renewable Materials

Component Weight	20.0 kgs
Percent Rapidly Renewable	88%
Weight contributing to Rapidly Renewable Content	17.6 kgs

- 📁 Long-life cycle
- 📁 5 years guarantee
 - 📁 Supply of replacement parts for 5 years
 - 📁 Service friendliness by easy changing of spare parts
 - 📁 Simple disassembly
 - 📁 Worldwide service
